GRADUATION CEREMONY 2026

13 NOVEMBER 2026

AVE MARIA PASTORAL CENTRE, GABORONE

Theme: Empowering Skills, Inspiring Innovation, Transforming Futures

bytesizecollege.ac.bw

VISION & MISSION

VISION

To become Botswana and the region's leading TVET institution, known for quality, innovation, industry relevance, and inclusive access, and for producing highly competent, employable graduates.

MISSION

To offer accessible, high-quality, industry-relevant technical, vocational, and professional education that prepares learners with the necessary knowledge, practical skills, entrepreneurial abilities, and professional ethics for employment, further studies, and sustainable livelihoods.

ABOUT
Byte Size College

Byte Size College (BSC) is a fully citizen-owned private TVET institution in Botswana,established in 2005, operating under IT Solutions & Training (Pty) Ltd.
From its humble beginnings with just two learners in 2005, Byte Size College has grown into an established tertiary and TVET institution, serving more than 800 students across its campuses in Gaborone, Letlhakane and Palapye.
Over the years, the College has evolved significantly in response to changes in Botswana's education, employment and skills-development landscape. What began primarily as a provider of computer and business training has developed into a broader skills-based TVET institution, offering career-oriented qualifications and professional development programs aligned with labour market and industry needs.
The College's journey has been characterised by continuous growth, institutional development, curriculum diversification, and a strong commitment to widening access to relevant, practical, and employment-oriented education.

Today, Byte Size College is positioning itself as a strategic TVET partner for industry, universities, professional institutions, government and other education and training stakeholders seeking to develop a skilled, adaptable and future-ready workforce.

BOARD OF DIRECTORS

Chairperson

MR. MOSES MATEISE

The Guest of Honour, our distinguished Speakers, Members of the Board of Directors, the Managing Director, Management and Staff of Byte Size College, Parents and Guardians, Invited Guests, and, most importantly, the Graduating Class of 2026.

Ladies and gentlemen, On behalf of the Board of Directors of Byte Size College, I am pleased to extend our warmest congratulations to the Class of 2026.

Graduation is not merely the conclusion of an academic programme; it is the start of another chapter filled with possibilities, responsibilities and opportunities. Today, we celebrate not only the qualifications you have earned but also the discipline, resilience, commitment and determination that have brought you this far.

As the Board Chairperson, I take great pride in witnessing our graduates' progress and Byte Size College's continued contribution to developing skilled and competent individuals. We believe that education is one of the most powerful instruments for transforming lives, strengthening communities and contributing to national development.

Our graduation theme, **"Empowering Skills, Inspiring Innovation, Transforming Futures,"** carries an important message for each of you. The skills you have acquired should empower you to pursue opportunities with confidence. Your knowledge should inspire you to think creatively, solve problems and develop innovative solutions. Above all, your education should enable you to transform your future and make a positive contribution to society.
As you leave this institution, I encourage you to remember that a qualification is an important achievement, but it is not the final measure of success. Equally important is how you apply what you have learned.

The world of work is constantly changing, and those who remain curious, adaptable, innovative and committed to lifelong learning will be better placed to succeed.

BOARD OF DIRECTORS

CHAIRPERSON

To those seeking employment, approach the world of work with professionalism, integrity and a willingness to learn. To those aspiring to become entrepreneurs, have the courage to turn your ideas into viable businesses and create opportunities for yourselves and others. To those wishing to pursue further studies, continue to invest in your knowledge and personal development.

I also wish to remind you that your journey may not always be easy. You may face setbacks, disappointments and unexpected challenges. Do not let these experiences define your future.Instead, let them strengthen your resolve and teach you valuable lessons. Success is often built on persistence, continuous improvement and the courage to keep moving forward.

To our parents and guardians, we express our sincere appreciation for the sacrifices and support you have given. To the lecturers, management and staff of Byte Size College, we recognise your dedication and commitment to nurturing these graduates. Your contribution has made this day possible.

Finally, to the Class of 2026, as you step into the next phase of your lives, remember that you are ambassadors of Byte Size College. Carry the values of integrity, professionalism, excellence and innovation wherever you go. Make meaningful contributions, create opportunities, and become part of the generation that drives Botswana's social and economic transformation.

On behalf of the Board of Directors, congratulations to each and every one of you! May your achievements today lay the foundation for even greater accomplishments tomorrow. I wish you all success, fulfilment and prosperity in your future endeavours.

CONGRATULATIONS, CLASS OF 2026!

CHAIRPERSON

Managing Director's Message

Mr. Godfrey Mwewa
Byte Size Collge

It is with immense pride and great pleasure that I extend my heartfelt congratulations to the Byte Size College Class of 2026 on reaching this important milestone in your academic and professional journeys.

Today marks more than the completion of your studies; it is the culmination of your hard work,determination, resilience and commitment to personal growth. Your journey may have brought challenges, demanded sacrifices and tested your perseverance, yet your presence here today shows that dedication and determination can turn aspirations into achievements. You have every reason to celebrate this accomplishment.

At Byte Size College, we believe education must go beyond acquiring qualifications. It must equip individuals with relevant, practical and industry-responsive skills that enable them to contribute meaningfully to society, create employment opportunities and respond confidently to the demands of a rapidly changing world. This belief is reflected in this year's graduation theme:

"Empowering Skills, Inspiring Innovation, Transforming Futures."

As graduates, you now have the opportunity and responsibility to put your knowledge and skills into action. Whether you choose to pursue further studies, enter the world of employment, start your own businesses, or contribute to your communities, I encourage you to approach the future with confidence, creativity, and an entrepreneurial mindset. Do not limit yourselves to seeking opportunities; develop the courage and capacity to create them.

Be innovative, remain adaptable, embrace lifelong learning and never underestimate the value of the skills you have acquired.

As you begin this next chapter, remember that success is measured not only by the qualifications you hold, but also by the positive impact you have on others' lives.

Let integrity, professionalism, discipline, and a commitment to excellence guide your decisions and actions.

I also wish to acknowledge and sincerely thank our dedicated lecturers, academic and administrative staff, parents, guardians, sponsors, and all stakeholders whose unwavering support and contributions made this achievement possible. Your investment in these graduates' education and development is an investment in our nation's future.

To the Class of 2026, you leave Byte Size College with more than a qualification. You leave with knowledge, skills, experiences and possibilities. Carry the Byte Size College spirit with pride, keep challenging yourselves, and become agents of positive change wherever your journeys take you.

Congratulations, Class of 2026! May your skills empower you, your innovation inspire others, and your achievements transform not only your futures but also those of your families, communities and our nation.

I wish you every success in all your future endeavors.

CONGRATULATIONS ONCE AGAIN!

Miss Unabatsho Abigail Maphorisa

HEAD OF ACADEMICS

As an educator, there is always something profoundly fulfilling about witnessing students' efforts culminate in this moment.

This moment is symbolic. It is proof that your effort was worth it, that those moments of doubt were just moments, and that perseverance has brought you here.

But this moment also represents something much bigger: possibility. The possibility to become, to dream, to create and to achieve.

Everything you aspire to become and everything you wish to achieve is yours for the taking.
Let this moment remind you that you are capable of absolutely anything you set your mind to.

As you step into the world, do not be content with simply fitting in or settling for mediocrity. Go out there and shake things up. Challenge industries. Innovate. Invent. Disrupt the status quo. Refuse to settle for the crumbs of life when you are capable of creating something extraordinary.

Be resilient. Be brilliant. Be different. Be audacious.
Demand excellence from yourself, and never stop pushing the boundaries of what is possible.

Congratulations, Graduating Class of 2025/2026!

The world is yours for the taking. Go make your mark!

GRADUATION BOOK

Mr. Rebaone Tshiamo

PALAPYE COLLEGE COORDINATOR

Congratulations Class of 2026!

It is an absolute honor to celebrate this monumental milestone in your lives and careers. Reaching this point is a massive achievement, and we extend our deepest gratitude to your families, friends, and lecturers who have supported and guided you throughout this journey. Your success, achieved despite the financial and social challenges faced by families and the country alike, is a powerful testament to your resilience, dedication, and strength of character.

We must explicitly acknowledge that your path to this graduation was not easy, particularly for those of you balancing your studies while commuting from different areas around Palapye. Many of you faced severe geographic and financial hurdles, navigating long distances and costly daily commutes from surrounding villages like **Serowe, Lecheng, Malaka, Radisele, Mahalapye, Bobonong, etc.** just to reach our Palapye Branch.

You balanced these travel burdens alongside limited access to consistent study infrastructure, digital connectivity gaps, and local economic pressures. Yet, you persevered through every cold winter morning and every long evening travel, turning those localized hardships into a shared triumph.

This year holds dual significance, as it also marks the 21st Anniversary of Byte Size College as a premier Technical, Vocational, and Educational Training (TVET) provider. For over two decades, our institution has worked tirelessly to deliver quality education, foster academic excellence, and cultivate employable graduates who are self-reliant, future-ready, and equipped to become the next generation of industry leaders and employers.

As a Byte Size College graduate, you possess more than just solid disciplinary knowledge. You have been rigorously trained to integrate seamlessly into the workforce. Through our robust industry attachment program, many of you have gained invaluable, hands-on experience with local companies and organizations across the nation. Others have collaborated directly with local communities, developing innovative solutions to real-world challenges.

Through these experiential learning opportunities, you have developed the critical employability traits, practical skills, and professional mindset necessary to thrive in an ever-evolving global market. I urge you to remember that success is always built upon failure, so do not be afraid to fail. Take that step forward to see what's behind that closed door. The risk you take by stepping into the unknown will be worth it as you will give yourself more options.

In closing, as you step out with your qualifications today, remember that the resilience you forged right here will guide you through all of life's future opportunities. Go out into the industry, represent our college with pride, and make a meaningful, lasting impact on our nation. Once again, congratulations to the Class of 2026, the world awaits your leadership!

Mr Cephus Mutale

LETLHAKANE COLLEGE COORDINATOR

"Congratulations on reaching this remarkable milestone. Today, we celebrate not only your academic achievements, but of years of dedication, hard work, late-night studies, resilience, sacrifices and perseverance that have brought you to this special moment. Your journey has been one of learning, discovery, personal growth, and overcoming challenges, and you should be proud of how far you have come.

When you first walked through our college doors, you carried dreams, ambitions, curiosity, and untapped potential. Through your time here, you have acquired knowledge, developed valuable skills, built meaningful relationships, and grown into confident individuals ready to make your mark on the world of work. You navigated challenges, embraced new lessons, and proved that your character is measured by your perseverance and has contributed to shaping the individuals you are today. Today, you leave as thinkers, leaders, and skilled citizens.

As you embark on the next chapter of your lives, remember that learning does not stop when you collect your certificate, but the beginning of new possibilities. Continue to dream big, work hard, remain humble, and uphold the values of integrity, compassion, courage, and excellence you got from Byte Size College. Use the knowledge and skills you have acquired to make a meaningful difference in your communities and contribute positively to society. Never allow challenges to discourage you from pursuing your more challenging aspirations.

On behalf of the entire Byte Size College Letlhakane branch management, Course Coordinators, and staff, we extend our heartfelt congratulations and best wishes to each one of you. We are immensely proud of your achievements and the determination you have demonstrated throughout your academic journey. May the future bring you endless opportunities, fulfilment and successes. As you go forth to pursue your dreams, remember that you will always be part of the Byte Size College family, and our doors will always remain open for you."

GRADUATION CEREMONY PROGRAMME

DIRECTORS OF CEREMONY
